

Maldon Archaeological & Historical Group

We have several new local sites and need enthusiastic people to help us get on with the work. No experience is required, just an interest in the past below our feet.

We're a friendly bunch so why not give us a try? Our clubhouse is open every Saturday morning, or see below for how to contact us.

Tel. 07923 995464
Email: mahgdigup@gmail.com

Please see our website for clubhouse opening times and current and future digs.

Our clubhouse houses a large selection of local material and provides a resource centre for archaeological and historical research open to members of the public as well as to MAHG.
